Education Law, §6305, provides: "The chief fiscal officer of each county, as defined §2.00 of the local finance law, shall, upon application and submission to him of satisfactory evidence, issue to any person desiring to enroll in a community college as a non-resident student, a certificate of residence showing that said person is a resident of said county. Such person shall, upon his registration for each college year, file with the college such a certificate of residence issued not earlier than two months prior thereto, and such certificate of residence shall be valid for a period of one year from the date of issuance." Education Law, §6301, ¶15, defines: "Resident" as a person who has resided in the state for a period of at least one year and in the county for a period of at least six months, both immediately preceding the date of such person's registration in a community college or, for the purposes of §6305 of this article, his or her application for a certificate of residence. In the event that a person qualified as above for state residence, but has been a resident of two or more counties in the state during the six months immediately preceding his application for a certificate of residence pursuant to §6305 of this chapter, the charges to the counties of residence shall be allocated among several counties proportional to the number of months, or major fraction thereof, of residence in each county.
