Due to limited funding for APTS, awards will be determined on a first-come, first served bases, as long as funds are available. Each semester has a filing deadline. Filing an application prior to the deadline does not guarantee an award. Applications will be reviewed in the order that they are received by the Financial Aid Office. You only need to submit one application for fall 2009 and spring 2010.

Filing Deadlines Are: Fall 2009 – September 18, 2009 Spring 2010 – February 12, 2010
--

Note: Awards may be reduced or eliminated for students who receive a tuition waiver or reimbursement through an employer.

- Awards will be based on the student's registration status at the end of the drop/add period (3rd week of classes). New York State has very strict deadlines regarding APTS certification. There are no retroactive awards.
- Suspended students are not eligible for aid
- A student who receives an APTS award and does not earn a passing average (D-) for the term may not receive an APTS award for the following term.
- APTS is disbursed near the end of the semester.

Please note: If you accept an APTS award, you are using one-half of one semester of NYS TAP eligibility.

Instructions for Preparing an Application for Aid for Part-Time Study

WHAT IS APTS? The AID FOR PART-TIME STUDY program is a grant program financed by New York State in conjunction with participating educational institutions throughout the state. The program provides up to \$2,000 per year to help part-time undergraduate students meet their educational expenses.

WHO IS ELIGIBLE FOR APTS? To be considered for an award, a student must:

NOTE: In addition to the above, students who received a state-sponsored award for the first time in the 1996-97 academic year and thereafter must be a high school graduate, or receive the equivalent of a high school certificate, or receive a passing grade on a federally approved examination.

WHAT ARE THE INCOME LIMITS? Income means the net taxable income as taken from the New York State income tax return.

- If you were not eligible to be claimed as a tax dependent by your parents, income (i.e., net taxable income of student and/or spouse, if married as of December 31st) cannot exceed \$34,250.
- If you were not eligible to be claimed as a tax dependent by your parents but you were eligible to claim dependents of your own other than yourself and/or your spouse, income (i.e., net taxable income of student and spouse) cannot exceed \$50,550.
