

Genesee Community College
 990–Computer Repair Technology–Certificate
 SEMESTER COURSE PLANNING WORKSHEET
 2007-2008

Suggested First Semester	Credits	Suggested Second Semester	Credits
ENG101 (By Placement)	3	CIS125	3
MAT121	3	CIS102	3
CSN115	3	CSN201	3
CSN120	4	HUMANITIES ELECTIVE	3
CSN150	4		
Total	17	Total	12

General Curriculum Information

English (by placement): Satisfactory completion of the writing skills exam is a prerequisite for ENG101. Students who do not satisfactorily complete the writing exam must register for ENG091 and/or ENG100 prior to completing their six (6) hour English sequence.

Mathematics (by placement): Mathematics placement is based on the ACT, ASSET, or COMPASS placement test.

Reading Proficiency Requirement: All students will be required to demonstrate proficiency in reading through testing prior to earning a degree or certificate. Students who do not meet the required standard will be expected to begin remediation immediately.
