PSY101 or SOC101	3	PE SKILLS COURSE	2
Total	16	Total	14

* Recommended for math and biology prerequisites or continuation of High School foreign language.

General Curriculum Information

English (by placement): Satisfactory completion of the writing skills exam is a prerequisite for ENG101. Students who do not satisfactorily complete the writing exam must register for ENG091 and/or ENG100 prior to completing their six (6) hr. English sequence.

Foreign Language Requirement: Students should be aware that if they transfer into a non-teacher education program, ASL may not meet the general education requirement. Consequently, they should consider registering for FRE or SPA.

Mathematics (by placement): Mathematics placement is based on the ACT, ASSET, or COMPASS placement test.

Reading Proficiency Requirement: All students will be required to demonstrate proficiency in reading through testing prior to earning a degree or certificate. Students who do not meet the required standard will be expected to begin remediation immediately.

Electives: Electives for this program should be selected with the transfer institution and program of interest in mind. **BIO104 is a pre-requisite for BIO105, so that may be used as the elective. BIO106 may also be considered based on bio requirements at the transferring institution. For additional assistance with course selection, see the Transfer Coordinator in the Career & Transfer Center.**

Restricted Electives: Select two from: PED 255 or PED271 or PED209. Those interested in pursuing a career in athletic training should take PED255 in the second semester.

Coaching Certificate: Required courses are HED205, HED209, PED271, and PED272.

426	Degree Requirements for Physical Education Studies 2009-2010	A.S.
1	COMMUNICATIONS	9
	ENG101 English Communications 1	3
	ENG102 English Communications 2 or ENG105 Writing in Humanities	3
