General Curriculum Information

English (by placement): Satisfactory completion of the writing skills exam is a prerequisite for ENG101. Students who do not satisfactorily complete the writing exam must register for ENG091 and/or ENG100 prior to completing their six (6) hour English sequence.

Mathematics (by placement): Mathematics placement is based on the ACT, ASSET, or COMPASS placement test.

Reading Proficiency Requirement: All students will be required to demonstrate proficiency in reading through testing prior to earning a degree or certificate. Students who do not meet the required standard will be expected to begin remediation immediately.

Business Elective: Select from the following areas: Accounting (ACC), Business (BUS)—including BUS203 and BUS205, Computer Information Systems (CIS), Tourism and Hospitality Management (THM), Office Technology (OFT). Students will be aided in selection of elective based upon their special interests and future plans.

Advanced Placement Credits: Advanced placement credit is available in OFT101 for any student having previous experience in keyboarding. Examinations are given at least once each year.
