

C IS TO BE COMPLETED BY YOUR HIGH SCHOOL COUNSELOR IF YOU ARE A HIGH SCHOOL STUDENT

If you are under 21 and plan to enroll full-time, then your high school counselor must complete section C below and attach a final high school transcript to this application. If you are 21 or older or you do not plan to enroll full-time, then leave section C blank.

37 School name

38 If applicable, provide a brief statement regarding any matter of interest to the Admissions Committee.

39 Student's graduation date 20

40 Student's diploma type: Regents—Advanced Designation Regents Local GED Home School Out of State None
 Skills & Achievement Commencement Credentials/Individualized Education Plan (IEP) An individualized Education Diploma does not meet the requirements for admissions.
 Career Development & Occupational Commencement Credentials

41 Counselor signature _____

42 Date 20

What will happen after I apply?

Good question. But first, take a minute to make sure that you've filled out everything that you need to on the application form.

- Most importantly, don't forget to sign and date your application.
- Next, you may have noticed that the application is divided into sections A, B, and C. All applicants need to complete sections A and B. If you are a high school student, your counselor must fill out section C.
- Did you pick a major (called a "program" in question 20)? The two-year degrees we offer are listed on the back.

Applicants must have an official high school transcript sent to our Admissions Office. If you hold a GED, you also must submit a copy of your equivalency scores.

If you have not taken the ACT test, you must take Genesee Community College's Compass placement test, which is free of charge. The placement test can be taken at any campus location. GCC almost always uses the Compass placement test or ACT test for placement purposes.

What about financial aid?

Roughly eight out of 10 full-time students at Genesee receive financial aid. In fact, the College awarded more than \$26 million in aid in 2011. Here are three tips to get you started on the financial aid process:

- File a Free Application for Federal Student Aid (FAFSA). For the fastest turnaround time, file electronically at fafsa.ed.gov. If you'd prefer to file paper FAFSA, copies are available at our Financial Aid Office.
- Next, follow through with the paperwork you'll be sent after filing a FAFSA. You'll receive a Student Aid Report (SAR), which will be sent automatically to our Financial Aid Office if you have listed Genesee's SAR code (006782) on your FAFSA. If you are a New York state resident, then you also should receive information from the New York State Tuition Assistance Program (TAP) after your FAFSA is processed.
- Finally, apply for scholarships. We offer many awards that help qualified students afford school. Check them out online at genesee.edu/scholarships or call the Financial Aid Office at 585-345-6900.

How will I know what to do next?

With few exceptions, Genesee is an open-admission institution. We notify in writing all applicants who have been accepted. However, if your application is incomplete, you'll receive a checklist detailing what we need in order to move ahead. Sometimes we also call applicants to let them know about the status of their applications and to ask for documentation that we need.

In the meantime, if you have any questions about the application process or would be interested in taking a tour of our campus or meeting some of the faculty, staff, and students, call our Admissions Office toll-free at 1-866-CALL-GCC (1-866-225-5422) or check our open house schedule online at genesee.edu/openhouse.
