## HEALTH CAREERS ACADEMY

### Career Pathways

*Succeeding together...  
a key to your future*

*"The Health Careers Academy helped prepare me for a career in pharmacy. I was able to shadow different areas of pharmacy that I did not even know existed. I broadened my horizons to the ways that a pharmacist could make an impact as part of the health care team.*

*~Nicole Dunlevy Kiehle  
Johns Hopkins Bayview Medical Center  
Clinical Pharmacist*
