General Curriculum Information

English (by placement): Satisfactory completion of the writing skills exam is a prerequisite for ENG101. Students who do not satisfactorily complete the writing exam must register for ENG091 and/or ENG100 prior to completing their six (6) hour English sequence.

Mathematics (by placement): Mathematics placement is based on the ACT, ASSET, or COMPASS placement test.

Reading Proficiency Requirement: All students will be required to demonstrate proficiency in reading through testing prior to earning a degree or certificate. Students who do not meet the required standard will be expected to begin remediation immediately.

General Electives: Electives for this program should be selected with the transfer institution and intended Major/Concentration. For additional assistance with course selection, see the Transfer Coordinator in the Career & Transfer Center.

Note: All students must choose a Major/Concentration and start course work in that discipline (9-15 credits are recommended; consult transfer institution).

If selecting a Science or Math concentration–seek advisement.

***History–Must select one from each area: U.S. History, World Civilization and Western Civilization**

****Early Childhood/Childhood: BIO100 or AST107 or PHY100 (consult your transfer institution)**

*****Early Childhood/Childhood: MAT116/MAT117; Adolescent: Math Elective (MAT129 recommended)**
