Transfer Guide Between
SUNY Genesee Community College and Grand Canyon University

Associate of Applied Science in Nursing
to Bachelor of Science in Nursing (RN to BSN)

In the event a student has not earned the aforementioned Associate level degree, all general education coursework will be required to complete Grand Canyon University's Baccalaureate degree.

The following table outlines the requirements needed to receive an Associate of Applied Science in Nursing from SUNY Genesee Community College. Within the tables below are preferred courses from SUNY Genesee Community College that are applicable towards Grand Canyon University's transfer-oriented Bachelor of Science degree programs. The General Education courses outlined below are not course to course equivalencies, however they will fulfill the requirements for each competency.

TOTAL CREDIT HOURS NEEDED TO COMPLETE Associate of Applied Science in Nursing at Genesee Community College	**64 Credits**
TOTAL SEMESTER CREDIT HOURS APPLIED to Bachelor of Science in Nursing (RN to BSN) at Grand Canyon University	**64 Credits**
TOTAL DEGREE CREDITS NEEDED TO COMPLETE Bachelor of Science in Nursing at Grand Canyon University.	**120 Credits**

Credits completed at Grand Canyon University may fluctuate contingent upon coursework successfully completed at the transferring institution. Courses are not listed twice on the transfer guide, so any courses not completed at the transferring institution will still be required as part of the GCU program. Students are required to complete a minimum of 120 credits to earn the Bachelor of Science degree. If the student completes additional courses at the transferring institution, credits may not apply to their GCU program.

Please note: All students must meet 36 Upper Division credit requirement, as well as 30 GCU credits to meet residency requirement. Students must meet Upper Division credit requirement even if content of an Upper Division course requirement is met with a Lower Division course.
